

## 2017 ANNUAL SURVEY OF FRATERNAL ACTIVITY INDIVIDUAL MEMBER WORKSHEET

For the 18th consecutive year the Knights of Columbus set new records for charitable donations and volunteer service hours in 2016. The results of the Order’s 2016 Survey of Fraternal Activity showed that total charitable contributions exceeded \$177 million. Volunteer service hours to charitable causes grew to more than 75 million hours. This has been made possible by an increase in membership. We are now over 1.9 million strong and have expanded into South Korea, Ukraine and Lithuania. In the past 10 years Knights have contributed almost \$1.6 billion and 700 million volunteer hours to charity. **To help prepare our Fraternal Survey for the Supreme Council office, please complete the information requested below and return it at our next meeting or send via e-mail or snail mail to the address below.** This information will assist us in determining the total number of hours of community service volunteered by our members during 2017.
